Dear Ms. Kiser and Mr. Sukys:

With this letter, I am forwarding the Metropolitan Transportation Commission's (MTC) Administrative Amendment No. 14, which makes technical adjustment to their 2002/03-2004/05 Federal Transportation Improvement Program (FTIP). This amendment does not affect air quality conformity, timely implementation of Transportation Control Measures (TCM's), or financial constraints and does not result in major scope change.

The projects included in this amendment will be uploaded in the California Transportation Improvement Program System (CTIPS) shortly.

Since administrative amendments do not require Federal Highway Administration and/or Federal Transit Administration approval, this FTIP amendment has been amended into California's 2002/03-2004/05 Federal Statewide Transportation Improvement Program (FSTIP).

Please address any questions on this amendment to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

RACHEL FALSETTI, Chief
Office of Federal Transportation Management Program
